

HP LED FLOOD LIGHT 400W - 1000W

DESCRIPTION

High efficiency LED COB flood light, built with a solid aluminum chassis for maximum thermal efficiency and delivering up to 140 lm / watt. With a built-in premium LED driver, the unit is easily wired direct to 240V mains power.

The HP COB series of LED flood lights is available from 400W up to 1000W.

FEATURES

- 100000hrs lifetime
- Engineered reflector design
- Sleek efficient design
- High uniform illumination
- Bridgelux LED Chip
- High operating temperature range
- Strong Mounting point

PERFORMANCE

- High efficiency, high output lumen
- No excessive heat output
- LED Up to 80% savings in energy
- Voltage range 180V - 265V
- Working Temp range -40~ + 60°C

APPLICATION

General commercial area lighting, carparks, sports fields, etc.

SPECIFICATION

Product Code	Voltage	Wattage (W)	Power Factor	Luminous Flux (Lm)	Beam Angle	Colour temp	IP Rating	Dimension
B0701-X-400W	180-265V AC	400W	0.92	48000	90	5500 (CW)	65	52.3*32.4*18.5cm
B0701-X-500W	180-265V AC	500W	0.92	60000	90	5500 (CW)	65	66.8*32.4*19.4cm
B0701-X-600W	180-265V AC	600W	0.92	72000	90	5500 (CW)	65	80.6*32.4*19.4cm
B0701-X-800W	180-265V AC	800W	0.92	96000	90	5500 (CW)	65	94.8*32.4*19.4cm
B0701-X-1000W	180-265V AC	1000W	0.92	120000	90	5500 (CW)	65	Design dependant
